

Car Rental

Together with GH Car Rental we offer a wide selection of cars, see next page.

Most of our guests hardly leave our resort and enjoy Baoase Luxury Resort to its fullest. However, we do recommend to rent a car for a couple of days to explore the rest of Curacao.

Driving in Curacao is not difficult; it follows some basic rules like in Europe and the USA. At the Front Office we have a free island map available and our staff finds great pleasure in showing you the right direction to the must see island spots!

Renting requires a credit card and valid driver's license. Curacaos drive on the right-hand side of the road. The speed limits in the city and residential areas are 45 km per hour (28 mph), with a maximum speed of 60 - 80 km per hour (37 - 50 mph) outside the city and on the four-lane ring road.

Our Front Office is happy to assist you with renting a car at our resort prior to your arrival of during your stay. The good thing is that a GH representative will come to Baoase and you do not need to stand in any lines at the other local rental desks. This service is complimentary and they will deliver and pick up the car at Baoase.

If this is your first time in Curacao, we do NOT recommend you to rent a car at the airport upon arrival, as the road to Baoase is not always easy to find and can lead to some frustrations.

Have us pick you up with our private and luxury airport transfer (\$60 one way).

Pre-book your car or airport transfer through: guestrelations@baoase.com.
