

Wine List

Welcome to the Baoase Culinary Beach Restaurant.

We hereby present you our wine list. It is our intention to offer you a wide range of World-class wines carefully selected according to the cuisine our Chef offers you.

As we all have our preferences, Baoase tried to organize the wine list by a few keywords wherein we categorize a very broad spectrum of wines from our most beloved wine countries.

Due to the warm & wonderful climate off the island we offer you our red wines chilled rather than room temperature.

Our dedicated staff will guide you true this assortment and advise you with all the information available.

We also highly recommend you to try our wine-pairing arrangements accompanying with our surprise- & five course dinner.

For this we always have some exclusive & surprising wines to offer which are not always found in our wine list.

4-course wine-pairing: \$ 39,-

5-coures wine-pairing: \$ 49,-

We are here to serve you and guide you through an exclusively culinary experience.

Your complete satisfaction is always our number one priority.
