# BAOASE CAR RENTAL

*The best way to explore  
the island is on wheels.*

Most of our guests hardly leave our resort to enjoy Baoase Luxury Resort to its fullest. However, it would be a waste to miss all the beauty the island has to offer. That is why we recommend renting a car for a couple of days to explore the rest of the island.

## RENTING A CAR

Together with GH Car Rental, we offer a wide selection of vehicles. Renting a car requires a credit card and a valid driver's license. Our Front Office and Guest Relations team are more than happy to assist you with renting one at our resort prior to your arrival or during your stay. A GH representative will then come to Baoase to deliver and pick up your car. So, there is no need to stand in any lines at other local rental desks. This service is complimentary for Baoase guests.

If this is your first time on Curaçao, we do not recommend you rent a car at the airport upon arrival, as the road to Baoase is not always easy to find and can lead to some frustrations after a long flight. We recommend you have us pick you up at the airport where the driver will be waiting for you outside the arrivals hall for a luxury private airport transfer (\$60 one way).

You can pre-book your car or airport transfer through [guestrelations@baoase.com](mailto:guestrelations@baoase.com).

## DRIVING IN CURAÇAO

Driving in Curaçao is not very hard - it follows most of the same basic rules like in Europe and the USA. People drive on the right-hand side of the road here, and the speed limits in the city and residential areas are 45 km per hour (28 mph), with a maximum speed of 60 - 80 km per hour (37 - 50 mph) outside the city and on the four-lane ring road.

At the Front Office, we have a [free island map](#) available and our staff is more than happy to guide you in the right direction and tell you all about the must-see island destinations.
