

BAOASE'S YACHT

The beauty of the open water is calling, and we are ready to help you answer! Our Baoase yacht is a 42-foot Boston Whaler 420 outrage, fully equipped and able to accommodate up to 8 people.

Each fully-personalized trip aboard the yacht is a stunning experience, with gorgeous cruises around the west side of the island and stops along the way at breathtaking private beaches. You are never left wanting, with a captain and server on board to pamper you and provide an unforgettable experience.

TRIPS

We offer a number of tour options, both private and group. We have compiled a couple of trips that we recommend, but of course every trip can be tailored to your wishes.
