The island, beyond the familiar

Many of our guests love soaking in the peace and privacy of Baoase, but for those wishing to see more of the island, renting a car offers the freedom to explore Curaçao beyond the familiar.

RENTING A CAR

Whether you prefer to arrange a vehicle before arrival or decide once you're here, our team is happy to assist. From compact cars for exploring Willemstad to larger vehicles for discovering the island's hidden corners, we will help you find the option that best suits your stay.

Your vehicle can be delivered directly to the resort and collected at the end of your rental, allowing you to begin your journey with ease. Every detail is arranged on your behalf, so you can focus on enjoying your time on the island.

Arriving in Curaçao for the first time? We can also arrange a private airport transfer (USD 70 one way). Your driver will be waiting just outside the arrivals hall, ready to welcome you and bring you comfortably to Baoase.

To reserve a vehicle or arrange a private transfer, please contact us at guestrelations@baoase.com.

We will be delighted to assist with every detail.

DRIVING IN CURAÇAO

Exploring Curaçao by car is one of the most rewarding ways to experience the island. The roads are easy to navigate, and driving takes place on the right-hand side, similar to most countries in Europe and North America.

Speed limits are generally 45 km/h (28 mph) in towns and residential areas, while larger roads allow for speeds between 60 and 80 km/h (37 to 50 mph).

Looking for recommendations along the way? Our Guest Services Team is happy to share a complimentary island map, local insights, and personal recommendations to help you discover Curaçao at your own pace. From quiet beaches and scenic viewpoints to favorite local spots, we are here to help you make the most of your time on the island.
