BAOASE PREMIUM AIRPORT ASSISTANCE & PRIVATE AIRPORT TRANSFER

Start your holiday with ease and let us arrange your arrival for you.

Before your journey begins, there are a few simple steps to complete. From your Online ED-Card to arranging seamless airport services, this page guides you through the first effortless moments of your Baoase experience.

ONLINE REGISTRATION CARD

All visitors arriving in Curaçao are required to have a completed Online ED-Card for immigration clearance. You can obtain the Online ED-Card on board the flight or online. The Online ED-Card will be in sync with the “eGates” at the airport. You can complete your Online ED-Card here.

We recommend that you print your confirmed online registration sent to you by email. This confirmation does not guarantee admission to Curaçao. A border control officer at the port of entry will have the final determination.

ORGANIZE YOUR ARRIVAL AND TRANSFER

If you would like to book any of these services, please contact our Reservations Department via reservations@baoase.com. These services are subject to availability, and the charges will be automatically added to your room account. Please make sure to provide us with your exact arrival and departure flight details.

From expedited immigration and in-airport support to private transportation, we take care of every detail so you can arrive with ease and begin your stay stress-free.
